

# JONATHAN RACE

## FRONT-END WEB DEVELOPER

### PROFILE

I'm passionate about web design and pour my heart and soul into each and every project. I have years of experience and am looking for a company that can take my skills, utilise them and help me grow further.

NOTTINGHAM, UK

### EXPERTISE

- WEB DESIGN
- UX / UI DESIGN
- FRONT-END DEVELOPMENT
- WORDPRESS
- SKETCH

### PROJECTS

FRONT-END WEB DEV / Apr 2020

#### UPWORK

Ongoing freelance work for various clients, mostly involving Wordpress, Elementor, Shopify and numerous other plugins to upgrade and bring WP sites to life.

FRONT-END WEB DEV / Mar 2020 - Apr 2020

#### BENMARSHALLPRODUCTION.COM

Scrollmagic and slick libraries were used to bring this project to life and display testimonials and videos in a more aesthetically pleasing way.

FRONT-END WEB DEV / WEBMASTER / Nov 2018 - Ongoing

#### ENGLISHXP.CO.UK

This is a modified wordpress template, using CSS and Elementor plugin to set the right tone for the content. I still run and promote this website to this day.

### PROFESSIONAL SKILLS

- |              |                        |             |                        |
|--------------|------------------------|-------------|------------------------|
| • HTML5      | <div><div></div></div> | • CSS3      | <div><div></div></div> |
| • JAVASCRIPT | <div><div></div></div> | • WORDPRESS | <div><div></div></div> |
| • SASS       | <div><div></div></div> | • REACT     | <div><div></div></div> |

### EDUCATION

FREECODECAMP/ Nov 2019 - Ongoing

#### DEVELOPER CERTIFICATION

Modules completed: Applied visual design, Applied accessibility, Bootstrap, Responsive web design, JS algorithms and data structures, jQuery, React, Redux, Sass.

CODECADEMY / Nov 2019 - Ongoing

#### DEVELOPER CERTIFICATION

Codecademy is where I started my learning journey online. I completed the courses "Introduction to JavaScript" and "Learn PHP".

DE MONTFORT UNIVERSITY / Sep 2008 - Jun 2010

#### MUSIC TECHNOLOGY FDSC

This course was invaluable in giving me both engineering skills (logical thinking and problem solving) and creative thinking which has helped so much with my design.

### INTERESTS

- |  |  |
|--|--|
| • JAPANESE SPEAKER   | • MUSIC PRODUCER   |
| I have been teaching myself Japanese for the last 2 and a half years and am around JLPT N3 level (B1). | I enjoy writing electronic music and have supported a number of big names live while DJ'ing in the past. |
